Headlice

There is an ongoing issue with nits across the school at present and children appear to be being treated and then reinfected a week later. Please can everyone check over the Easter holidays and treat if needed to help the children feel more comfortable moving forwards in school. This needs to be community effort!

Tick Season

There have been a few cases of children with ticks in the last couple of weeks. Please be mindful when your children are playing in the fields/long grass to check for ticks and to seek medical advice or see a pharmacist as soon as possible.
